Agreements made by family are applicable to all students registered.

General Release of Liability: My/our signature(s) on this page hereby releases and forever discharges Sacred Heart Catholic School, its officers, agents, and employees from all claims and demands, rights and causes of action of any kind that the members of this family now has or hereafter may have on account of or in any way arising from personal injuries known or unknown to the signers of this agreement and property damage resulting from any occurrence which may happen to our child/ren (or legal ward), during his/her stay at Sacred Heart Catholic School.

Emergency Care: I/we understand that in case of accident or serious illness, if the school is unable to reach a parent or guardian, I/we hereby authorize Sacred Heart Catholic School at its discretion to contact emergency personnel and to allow these professionals to administer treatment and/or transport the child/ren for treatment. The school is further authorized to provide helpful medical and family contact information to these health care providers if it has been provided to the school.

Non-Urgent Care: I/we understand that in case of accident or serious illness for which the child does not require professional emergency care providers, every effort will be made to contact a parent/guardian. In the event the school is unable to reach a parent/guardian, I/we hereby authorize Sacred Heart Catholic School at its discretion to call in the order I/we have listed, an emergency contact to request that he/she remove the child from the school.

Internet Acceptable Use Policy: I/we understand that the Internet is a powerful tool that must be used with responsibility, that the school has the right and responsibility to make and enforce rules for acceptable use. Our family has discussed and agrees to support the rules of the school.

Diocese of St. Augustine Volunteer Policy: The school requires each family to provide service to the school equaling 10 hours per semester, with documentation of this service to be provided to the school by December 15 and May 18 of each academic year that the family has a child in the school. The Diocese of St. Augustine requires without exception that each volunteer who will have contact with students on behalf of the school must submit to the school proof of having attended Virtus' "Protecting God's Children" class, be fingerprinted at an approved facility, submit background check paperwork, and await clearance through the Diocese's Safe Environment Department. Volunteers who will not have contact with students do not have to meet these diocesan requirements.
