

**Securing the Health and Safety  
of our Staff and Students  
2020-2021 School Year**

**As a school family, we are entering a normal school campus with many additional health and safety protocols to acknowledge the COVID-19 Pandemic. These have been put into place for the 2020-2021 school year. We are taking precautions following the CDC guidelines, state orders and procedures given through the Diocese of St. Augustine. The safety measures are necessary to keep your children safe as they return to school. We are hoping this pamphlet will be a helpful tool to see, at a quick glance, what we are doing to keep our staff and students as safe and healthy as possible.**

**Wash hands  
Sanitize often**

**Social Distancing  
wearing masks**

**Checking student's  
temperature at  
arrival and at  
dismissal by a staff  
member**

**Please bring your  
own disposable  
water bottle  
\*\*Please bring 2  
bottles per day**

**Masks will be worn by all faculty, staff and students**

# Let's Prowl through the Steps!

School will be held as normal. Students attend school each day.
